

UPM Notes

5820-01PG
In Paper Wrapping

Product description:

Sheets 1 x 400
Dimensions 75 x 75
Color Pastel yellow
Service temp. +10°C / +30°C
Opt. storage cond. 20°C / 50% RH

Face material:

Material Uncoated matt, woodfree paper, based on ECF/TCF pulp
Thickness 90 µm
Grammage 70 g/m²

Adhesive:

Description Ultra removable, acrylic, water based, sticky notes adhesive
Performance Solvent free, excellent resistance to UV-light and ageing, multiple use and repositioning, removable residue-free from almost all substrates

Packaging:

Material Glassine Paper, 40 µm

Order information:

Single EAN 4044355793985
Carton EAN 4044355793992
Packs per carton 12
Carton size 235 x 155 x 90 mm

Certificates:

FSC® FSC™ C003094
Blue Angel No

UPM Notes are high quality sticky notes made from FSC™-certified paper (FSC C003094) and a solvent-free, water-based adhesive with double the adhesive strength compared to standard sticky notes. The adhesive is designed to stick, reposition and remove from all main substrates without leaving any residues.

UPM Notes In Paper Wrapping are packed in unique and innovative FSC certified (FSC C003094) paper packaging. This semi-transparent, plastic-free wrapping is recyclable and eliminates unnecessary use of plastics. It is also more than 80% lighter in weight compared to cardboard packaging. Both the sticky notes and the paper wrapping are recyclable.

Recyclable packaging

Solvent-free adhesive with double the adhesion compared to standard sticky notes

Plastic free wrapping

Residue-free removal, even from sensitive surfaces
